Mission and Program Services

Dogs On Death Row is an IRS-recognized tax-exempt charitable organization. Our mission is to rescue dogs at animal shelters that are about to be euthanized because their allotted time for adoption has expired. These dogs face imminent execution if they do not get interim financial sponsors or foster parents or receive medical treatment required to become adoptable. Gaining this extra time, our goal is to then find permanent homes for each animal.

The Year In Review

- Saved 730 dogs with medical issues from Death Row
- Saved 94 cats/kittens with medical issues.
- Provided grants to cover spay/neuter cost to help reduce the number of unwanted pets
- Sponsored fourteen dogs at an animal sanctuary
- Began building a small kennel to house sixty dogs waiting for placement. A no-kill facility!
- Supported dog rescue dogs in over twenty states and two foreign countries

Governance and Staff

Dogs On Death Row is governed by an all-volunteer board of directors who receive no compensation for their services. The Executive Director is also a volunteer. There is no paid staff. Almost all administrative expenses are donated, including office space and web site.
